

# Management Essentials Certificate

## Program Includes

6 Facilitated Workshops: Your Role as a Manager • Building Trust for Stronger Relationships  
Hiring the Best • Creating a Culture of Engagement • Employee Accountability & Performance  
Management • Effective and Engaging Communication

Membership to professional development library of audio and ebooks

Assessments (pick one of the following): DiSC • Motivators • CliftonStrengths

Exclusive Elective Library & On-Demand Courses

Elevate your leadership skills with this newly enhanced certificate program. Updated for the new year, this series is designed to build skill levels and increase knowledge of best practices for those in management roles or those preparing to advance their career. Each participant will receive access to our elective library in Bridge, where they can choose from additional workshops and content specifically for their needs.

The cost for the Management Essentials Certificate is \$200. Paid by chartfield. Please reach out to [training@utah.edu](mailto:training@utah.edu) with any questions.
